1.4 Closing. The closing (the "**Closing**") of the purchase of the Assets under this Agreement shall take place at the offices of Buyer no later than [] calendar days after the date of entry of the Sale Approval Order, provided no court of competent jurisdiction shall have entered an order staying such Sale Approval Order pending appeal, and all other conditions to Closing set forth in Articles 5 and 6 have been satisfied or waived, , or such other date and place as shall be agreed upon by the Seller and Buyer, at 10 o'clock a.m. If the Sale Approval Order specifies that the provisions of 11 U.S.C. §363(m) apply and the conditions set forth in Articles 5 and 6 have been satisfied or waived, then the Closing shall take place on the second business day following the date of entry of the Sale Approval Order. (b) Assumption of Executory Contracts. The Buyer shall have the right to, in Buyer's sole discretion; designate those contracts, agreements, leases and/or licenses of the Seller which are to be Assumed Liabilities, pursuant to the terms of this Section 4(b). An initial list of the contracts, agreements, leases and/or licenses that are to be Assumed Liabilities is set forth in Schedule 1.1(b) and Schedule 1.2 hereto. At least seven (7) days prior to the hearing for approval of the Sale Approval Order, Buyer may by notice to the Seller and without any additional consideration therefor, designate additional contracts, agreements, leases and/or licenses to be assumed and assigned or to designate executory contracts and agreements which will not be assumed and assigned notwithstanding their prior inclusion in Schedule 1.1(b) and Schedule 1.2 or prior designation by the Buyer. In the Sale Motion, the Seller shall seek an order of the Court approving the assumption and assignment of the contracts, agreements, leases and/or licenses that are to be assumed by the Seller and assigned to the Buyer listed on Schedule 1.1(b) and Schedule 1.2, as amended, if at all. The Sale Order shall provide that the assumption and assignment of the Assumed Liabilities shall be free and clear of all Liens, except for obligations of Buyer under Section 365 of the Bankruptcy Code. Buyer and/or Seller may file amended, supplemental, or additional pleadings, if required to address additions or deletions of contracts, agreements, leases and/or licenses to Schedule 1.1(b) and Schedule 1.2 made pursuant to this Section 4(b).

(c) Preservation of Assets. Prior to the Closing, Seller shall maintain and keep the Assets in good condition and repair (reasonable wear and tear excepted), and keep in full force and effect its insurance coverage.

5. Conditions to Seller's Obligations

(a) The obligation of Seller to consummate the transactions contemplated hereby is subject, in the reasonable discretion of Seller, to the satisfaction, on or prior to the Closing Date, of each of the following conditions any of which may be waived (in whole or in part) by Seller in accordance with Section 8.7 hereof:

(b) Entry of Sale Approval Order. The Sale Approval Order shall have been entered by the Bankruptcy Court and no court of competent jurisdiction shall have entered an order staying such Sale Approval Order pending appeal.

(c) Instruments of Conveyance. The Buyer shall have executed and delivered to Seller at the Closing all of the documents provided for in Section 1.5 hereof.

(d) Absence of Litigation. No court action or proceeding shall have been commenced to restrain or prohibit the transactions contemplated by this Agreement, or the acquisition by Buyer of the Assets following the Closing.

(e) Payment of the Purchase Price. Buyer shall have paid the Purchase Price (as adjusted hereunder) in immediately available funds.

6. Conditions to Buyer's Obligations

The obligations of Buyer to purchase the Assets and to consummate the transactions contemplated hereby are subject, in the reasonable discretion of Buyer, to the satisfaction, on or prior to the Closing Date, of each of the following conditions, any of which may be waived (in whole or in part) by Buyer in accordance with Section 8.7 hereof:

(a) Filing of Motions. As soon as practicable following the execution of this Agreement, Seller shall have filed a motion with the Bankruptcy Court, in form and substance reasonably acceptable to Buyer, to establish the date of a hearing to consider the approval of each of the Bidding Procedures (as hereafter defined) (the "Bidding Procedures Motion"), and the sale of the Assets to Buyer pursuant to the terms of this Agreement (the "Sale Motion"). Seller shall provide notice of the foregoing motions to all required parties in accordance with all applicable rules of the Bankruptcy Code.

(b) Entry of Orders. On or prior to _____, 2011, the Sale Approval Order shall have been entered by the Bankruptcy Court in form and substance reasonably acceptable to Buyer.

(d) Absence of Litigation. No court of competent jurisdiction shall have entered an order staying the Sale Approval Order pending appeal.

(e) Instruments of Conveyance. The Seller shall have executed and delivered to Buyer at the Closing all of the documents provided for in Section 1.5 hereof.

(f) Representation and Warranties. The representations and warranties of Seller contained in Article 2 of this Agreement shall be true and correct at Closing, in all material respects.

7. Bidding Procedures, Termination Fee

(a) Bidding Procedures. The Bankruptcy Court must enter the Bidding Procedures Order expressly approving the following bidding procedures in connection with the purchase of assets of Seller upon the following terms and provisions (collectively, the "Bidding Procedures"):

- (i) Any competing bid, offer, plan of reorganization or other arrangement shall be deemed to qualify as a competing bid (a "Competing Bid") only if made upon terms and provisions substantially similar to those set forth in this Agreement and in respect of the sale and purchase of substantially all of the Assets and assumption of the Assumed Liabilities and for an aggregate purchase price equal to the sum of the Purchase Price, the Termination Fee and \$2,500.00. Seller shall provide an estimate of the Termination Fee to any interested party for the purpose of submitting a Competing Bid.
- (ii) Any competing bidder pursuant to section (i) must deliver a deposit to Seller in an amount equal to \$10,000.00 at the time of submission of such bid and satisfy Seller of the bidder's ability to consummate the transaction.
- (iii) An Auction for the Assets shall be held only if there is a Competing Bid, and the Auction, if necessary, shall be conducted by the Bankruptcy Court at the time of the hearing on the Sale Approval Order. The Bidding Procedures shall provide that if there is no Competing Bid, then the Buyer and Seller shall proceed to seek approval of the Sale Approval Order.
- (iv) Only persons that have submitted a timely qualified Competing Bid may participate in any Auction for the Assets. Notwithstanding this subsection of the Bidding Procedures, Buyer may participate in any Auction.
- (v) Bidding at any Auction for the Assets shall be conducted as an open bidding process, with any incremental bid made subsequent to the initial overbid to be at least \$10,000.00 greater than the most recent bid.
- (vi) At any Auction for the Assets: (1) Buyer shall be entitled to improve its offer, and (2) Buyer shall, with respect to any bid at the Auction, be entitled to waive the Termination Fee and the amount waived shall be added to Buyer's bid.

(b) Termination Fee. The Bidding Procedures Order shall approve the payment to Buyer of a termination fee ("Termination Fee") in the event of acceptance by Seller of a Competing Bid (a "Competing Transaction"). The Termination Fee shall equal \$22,400.00 plus the MPO Repayment Amount. The Bidding Procedures Order shall also provide, without limitation that any Termination Fee shall: (i) be paid only from the proceeds and at the Closing of the Competing Transaction, (ii) be treated as an allowed administrative expense with priority over all administrative expenses of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code, and (iii) be free and clear of (x) any and all Liens and (y) any interest, pledge, lien, security interest, judgment, demand, encumbrance restriction or charge of Seller or Seller's estate of any kind or nature (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinated).

(c) Termination. In addition to any other rights of termination of Buyer expressly provided in this Agreement, this Agreement may be terminated prior to the Closing:

- (i) by the mutual written consent of Buyer and Seller (subject to the approval of the Bankruptcy Court) at any time, in which case the Deposit and all interest thereon shall be returned to Buyer;

- (ii) by Buyer if (A) Buyer is not the winning bidder at the Auction, or (B) one or more of the conditions set forth in Article 6 is not satisfied on or before the date specified or the Closing Date (as the case may be) for any reason other than a breach of this Agreement by Buyer, or (C) the Sale Approval Order is not entered by the Bankruptcy Court on or before _____, 2011, through no fault of Buyer or (D) the Closing has not occurred on or before _____, 2011, through no fault of Buyer, and in each such case the Deposit and any interest thereon shall be returned to the Buyer; provided however, if the Buyer is the second highest bidder at the Auction, the Buyer may not terminate this Agreement pursuant to this Section 7(a)(ii), until the earlier of (y) the closing of a sale of the Assets with a party other than the Buyer; or (z) twenty (20) days following entry of a sale approval order naming a party other than the Buyer as the winning bidder at the Auction;
 - (iii) by Seller (A) if Buyer is not the winning bidder at the Auction, or (B) if the condition set forth in Section 5(d) is not satisfied on the Closing Date, or (D) the Closing has not occurred on or before _____, 2011, through no fault of Seller, and in each case the Deposit and any interest thereon shall be returned to the Buyer;
 - (iv) by Seller if the conditions set forth in Section 5(c) or Section 5(e) are not satisfied on or before the Closing Date (for any reason other than breach of this Agreement by Seller), or a breach of this Agreement by Buyer occurs, and in each case the Deposit and any interest thereon shall be paid to and retained by Seller for breach of this Agreement.
- (d) Event of Termination; Remedies. In the event of termination of this Agreement pursuant to Section 7(c):
- (i) Buyer shall be entitled to payment of the Termination Fee, to the extent the Termination Fee is payable under Section 7(b) and the Bidding Procedures Order; and
 - (ii) the rights and obligations of the parties hereto under this Agreement shall terminate (other than the provisions of this Section, the provisions related to payment of the Termination Fee and the treatment of the Deposit under Section 7(c)) and there shall be no liability of any party hereto to any other party hereunder and each party hereto shall bear its own expenses incurred in connection with the negotiation, preparation, execution and performance of this Agreement; provided that the foregoing shall not relieve any party of liability for damages actually incurred by any other party as a result of any breach of this Agreement resulting from act or omission of the party permitting, causing or committing such breach.
- (e) Standby Obligation. Notwithstanding the approval of a sale approval order naming a party other than the Buyer as the winning bidder at the Auction, the Buyer shall, to the extent that the Buyer is the second highest bidder at the Auction, remain committed to consummate the transactions contemplated hereby for a period of thirty (30) days following entry of such order by the Bankruptcy Court. If the Seller, at its sole election, delivers notice to the Buyer, within twenty five (25) days after entry of the third party sale approval order, that the third party transaction will not be consummated and that the Seller intends to consummate the transactions contemplated hereby, the Buyer shall take all actions required in this Agreement to complete the purchase of the Assets on a Business Day within five (5) days following such notification, as if the Buyer had been the winning bidder at the Auction and the Sale Approval Order had been originally entered.

8. General.

8.1 Further Assurances. In addition to the provisions of this Agreement, from time to time after the Closing Date, Seller and Buyer will use all commercially reasonable efforts to execute and deliver such other instruments of conveyance, transfer or assumption, as the case may be, and take such other actions as may be reasonably requested to convey and transfer the Assets.

8.2 Payment of Expenses. Whether or not the transactions contemplated hereby are consummated, Buyer shall pay its own expenses, and the Seller shall pay its own expenses, in connection with the negotiation, authorization, preparation, execution and performance of this Agreement, including, without limitation, all fees and expenses of investment banking firms, agents, representatives, counsel and accountants.

8.3 Governing Law. This Agreement shall be governed in all respects, whether as to validity, construction, capacity, performance or otherwise, by the internal laws of the Massachusetts (without regard to its conflicts of laws principles) and the Bankruptcy Code. If any provision of this Agreement shall be held invalid by a court with jurisdiction over the parties to this Agreement, then and in that event such provision shall be deleted from the Agreement, which shall then be construed to give effect to the remaining provisions thereof. The parties hereto hereby consent to the exclusive jurisdiction of the Bankruptcy Courts, or to any court exercising appellate jurisdiction over the Bankruptcy Court and to the appropriateness of the venue of such courts, in connection with any dispute which may arise pursuant to this Agreement or is related to the transactions contemplated hereby.

8.4 Notices. Any payments, notices or other communications required or permitted hereunder shall be given in writing and deemed to have been properly given if and when delivered personally or sent by registered or certified mail, return receipt requested, postage prepaid, addressed to the appropriate address set forth in the introduction hereto or such other address as shall be furnished in writing by any party, and any such payment, notice or communication shall be deemed to have been made or given three business days after the date so mailed (except that a notice of change of address shall not be deemed to have been given until received by the addressee) or on the date of actual receipt, whichever first occurs. If notice is given to Buyer a copy (which shall not constitute notice) shall also be given to Gennari Aronson, LLP, 250 First Avenue, Needham, MA 02494, Attn: Lawrence Gennari, Esq.

8.5 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors, assigns, heirs, executors, administrators and legal representatives including without limitation any Chapter 11 or Chapter 7 trustee appointed in the Bankruptcy Case, provided, however, that neither party may assign any of his, her or its rights or delegate any of its obligations hereunder to any party without the prior written consent of the other party other than with regard to an assignment to an affiliate of Buyer prior to Closing.

8.6 Headings. The descriptive headings of the several Sections of this Agreement (including the Schedules and Exhibits to this Agreement) are inserted for convenience only and do not constitute a part of this Agreement.

8.7 Waiver. The failure of any party to this Agreement at any time or times to required performance of any provision hereof shall in no manner affect such party's right at a later time to enforce the same. No waiver by any party of any condition, or of the breach of any term, covenant,

representation or warranty contained in this Agreement, whether by conduct or otherwise, in any one or more instances shall be deemed to be or construed as a further or continuing waiver of any such condition or breach or a waiver of any other condition or the breach of any other term, covenant, representation or warranty of this Agreement.

8.8 Entire Agreement. This Agreement contains the entire agreement among the parties hereto with respect to the transactions contemplated herein, and supersedes all prior agreements and understandings, whether written or oral, among the parties hereto with respect to the subject matter of this Agreement.
